Bachelor Of Technology in Artificial Intelligence and Data Science

2023-27

Amrita Vishwa Vidyapeetham, Bengaluru

Higher Secondary Education

2021-23

Presidency PU College, Sira

PERSONAL PROJECTS

FitLife Gym Membership Website

Jan 25 – May 25

Streamlined the membership sign-up process and enhanced user engagement on the gym platform.

- Designed a user-centered gym website with intuitive navigation and seamless user flows for membership enrollment
- Created interactive UI components such as pricing toggle, plan selection, and smooth navigation to enhance usability
- Improved user experience by implementing structured forms and simplified login/registration flows
- Focused on responsive design and consistency across pages for seamless cross-device experience

Amrita Feast – Smart Canteen Pre-Order PWA

jan 26 – May 26

Designed a user-centered food ordering platform to reduce queue time and improve the campus dining experience.

- Conducted user research and created personas, wireframes, and high-fidelity prototypes.
- Designed intuitive, responsive interfaces with consistent navigation and accessibility.
- Improved user experience through usability testing and iterative design enhancements.
